

## Edmonton Flamenco Festival Weekend Dance Workshops - April 13 - 14, 2019

**All classes at MarrMac Dance - 8627 - 109 Street.** The very busy parking lot to the south may only be used for 90 minutes at a time and you must register your vehicle at MarrMac. It is patrolled and you may be ticketed if over your time. We suggest finding street parking in the neighbourhood to the southeast of the studio (86 ave and area to the east of 109 St). West of 109 St. is all restricted street parking.
